

Indiana University, Purdue University at Indianapolis, Department of Anthropology

Program Information

Program Name	Indiana University, Purdue University at Indianapolis, Department of Anthropology
General Description / Special Programs	The BA Program in Anthropology at IUPUI emphasizes applied anthropology and includes internships with community organizations and industry partners, as well as research opportunities in the area of the student's career interests. The program's strengths are in community anthropology, urban anthropology, museum studies, bioarchaeology, and historic and prehistoric archaeology. The MA Program in Applied Anthropology focuses on such areas as: community-based and public archaeology; urban ethnography; Midwest prehistory; the study of material culture; and the application of anthropology in the museum field, including collections management, heritage studies, public programming, and the representation of indigenous peoples. The Museum Studies Program offers a Masters Degree and graduate and undergraduate certificates.

Program Details

Degrees Offered	MA in Applied Anthropology, Anthropology BA, Minors: Anthropology & Cultural Diversity
Tuition Information	For a tuition calculator, visit: https://studentcentral.iupui.edu/cost/index.html
Highest Degree Offered	MA/MS
Certificate Info	The Museum Studies Program provides an interdisciplinary training in museum practice. The 6 course/18 credit hour Undergraduate Certificate is designed to train students for entry-level positions in the museum field and to prepare them for graduate school.
Other Degree Requirements	Graduate Certificate in Museum Studies (18 credit hour); Undergraduate Certificate in Museum Studies (18 credit hour); Masters in Museum Studies (36 credit hour)
Certificates	<ul style="list-style-type: none"> • Museum Studies
Associates	<ul style="list-style-type: none"> • Applied Anthropology • Archaeology • Biological Anthropology • Cultural Anthropology • Museum/Curatorial Studies
AA/ AS Requirements	
BA/BS Field Areas	<ul style="list-style-type: none"> • Anthropology • Applied Anthropology • Archaeology • Biological Anthropology • Cultural Anthropology • Museum/Curatorial Studies
BA/ BS Requirements	A major in anthropology provides training in several areas: an overview of anthropological inquiry, an awareness of the wide variety of human cultures, intensive investigation of selected conceptual topics, research skills, and the application of anthropology outside the university setting. Requirements for a major include a minimum grade of C in 34 credit hours of anthropology courses. A student's particular program is selected in consultation with a faculty advisor from among the following: 12 credit hours in core courses, 18 credit hours in advanced courses, 4 credit hours in capstone courses.
MA/MS Field Areas	<ul style="list-style-type: none"> • Anthropology • Applied Anthropology • Archaeology • Biological Anthropology • Cultural Anthropology • Museum/Curatorial Studies
Experience Offered	<ul style="list-style-type: none"> • Field Work • Internship
MA/ MS Requirements	The MA in Applied Anthropology requires 36 credit hours: Required Core (6 credit), Methods (3 credit), Electives (21 credit), Thesis or Internship (6 credit). For more information: https://liberalarts.iupui.edu/anthropology/pages/academics/index.php#rtab2
MA/MS Specializations	Applied Cultural Anthropology; Public Archaeology; Cultural Resource Management; Biological Anthropology (Bioarchaeology)
Phd Requirements	
Research Facilities	The department maintains two laboratories for faculty and student researchers. One lab focuses on the processing and analysis of material culture from archaeological projects. The second lab houses the Cultural Heritage Research Center (https://liberalarts.iupui.edu/cultural-heritage-research-center/index.html), which conducts multidisciplinary research to advance the understanding of cultural heritage and its role in society.
Support Opportunities	Both graduate students and undergraduates may be eligible for appointments as Community Engagement Associates, who receive a stipend to work with faculty who are teaching field and community-based courses.
Library Resources	The IUPUI University Library by the numbers (www.ulib.iupui.edu/); Over a million patron visits per year, Over 1,000,000 volumes and 35,000 current periodicals, 2,500,000 downloads from library databases annually, 380 study skills class sessions led by University Librarians.

Internships Available	
Internship Info	The MA in Applied Anthropology requirements can be fulfilled through an internship and submission of an internship report. Internships are also offered through the Museum Studies program and can be arranged on an individual basis for Anthropology Majors and MA students.
Internship Required

Collections	Dr. Paul Mullins curates historic assemblages from the post-bellum African-American neighborhood on the near westside of Indianapolis that was displaced during the university's growth in th late 20th century. Meanwhile, Dr. Jeremy Wilson curates and conducts research on material culture from a series of Mississippian period villages from the central Illinois River valley. The IUPUI University Library houses the Ruth Lilly Special Collections & Archives (www.ulib.iupui.edu/special/home).
Grants Or Funding	Our MA in Applied Anthropology offers the possibility of university-level funding to our top candidates. The program also provides opportunities for graduate assistantships, research assistantships, and internship appointments.
