

## Program Information

|  |  |
|--|--|
| Program Name                           | The Cyprus Institute   |
| General Description / Special Programs | The Cyprus Institute (Cyl) is a world-class, non-profit research and educational institution with a strong scientific and technological orientation. It is a regional Center of Excellence, addressing issues of regional interest but of global significance, with an emphasis on cross-disciplinary research and international collaborations. Cyl is being developed as an international science and technology organization to strengthen the research community of Cyprus and to help transform its economy to a knowledge-based economy. |
| Established                            |  |
| Country                                | Cyprus   |
| State                                  |  |
| City                                   |  |
| Address Line 1                         | 20 Konstantinou Kavafi Street  |
| Address Line 2                         | Aglantzia  |
