

# Logan Museum of Anthropology

## Program Information

|  |   |
|--|---|
| Program Name                           | Logan Museum of Anthropology  |
| General Description / Special Programs | The Logan Museum is a teaching museum of Beloit College. The museum features a visible storage facility, exhibition galleries, and laboratories for use by students, faculty, and visiting scholars. The museum supports Beloit College's academic programs and also conducts public and school programs. Beloit College students are involved in all aspects of the museum's work. |
