

# New Mexico Office of Archaeological Studies

## Program Information

Program Name	New Mexico Office of Archaeological Studies
General Description / Special Programs	Full archaeological and ethnohistoric research services for New Mexico and the adjacent Southwest, including northern Mexico. Services are provided on a not-for-profit basis. Specialized analytic services include faunal and human skeletal analyses, archaeobotany, ceramics, flaked/ground stone, and archaeomagnetic dating. SAA Award-winning education outreach program provides classroom and civic presentations and technology demonstrations.
