

# Australian National University, Department of Anthropology

Program Information	
Program Name	Australian National University, Department of Anthropology
General Description / Special Programs	The Department of Anthropology in the ANU College of Asia and the Pacific comprises one of the world's foremost concentrations of full-time researchers in the social anthropology of Asia and the Pacific, particularly mainland and island Southeast Asia, Southwest Pacific, East Asia, and South Asia. Research interests include Identity and Agency; Contemporary Religions; Governance; Development, Environment and Applied Anthropology; Linguistic and Symbolic Anthropology; Ethnographic Practice and Methodology. The Department operates in close collaboration with the socio-cultural anthropologists in the ANU School of Archaeology and Anthropology, especially at the level of postgraduate studies where there is a single consolidated program, as described at <a href="http://anthropology.anu.edu.au/">http://anthropology.anu.edu.au/</a> .
