

Weber State University, Department of Sociology & Anthropology

Program Information

Program Name	Weber State University, Department of Sociology & Anthropology
General Description / Special Programs	Anthropology at WSU takes a holistic four field approach to describing and explaining human differences and similarities around the world and throughout time. It looks at humans both culturally and biologically within an ecological context, examining contemporary humans as well as those of the historic and prehistoric past, searching for patterns of human existence.
Established	
Country	United States
State	UT
City	Ogden
Address Line 1	1299 Edvalson Street
Address Line 2	
Address Line 3	
Zip	84408-1208
Fax	
Phone1	(801) 626-6241
