

Metropolitan State University of Denver, Department of Sociology and Anthropology

Program Information

Program Name	Metropolitan State University of Denver, Department of Sociology and Anthropology
General Description / Special Programs	The Anthropology Program at MSU Denver is committed to enhancing student knowledge and appreciation of human biological and cultural diversity. It offers introductory and advanced-level courses in each of the four traditional subfields of anthropology (archaeology, biological anthropology, cultural anthropology, linguistic anthropology). Majors complete 9 credit hours of practical lab and field-based courses and participate in domestic and international field schools, internships, and community engagement.
