

North Queensland Land Council

Program Information

Program Name	North Queensland Land Council
General Description / Special Programs	The NQLC provides high quality Native Title Services to Traditional Owner groupings throughout the North Queensland region. We currently have over 15 active Native Title claims under negotiation before the Federal Court, as well as a number of new claims under construction. A significant part of our work is negotiating Native Title Agreements, many of which arise from our Future Act function as well as ILUAs associated with Consent Native Title Determinations.
