

Florida Atlantic University, Department of Anthropology

Program Information

Program Name	Florida Atlantic University, Department of Anthropology
General Description / Special Programs	The FAU Department of Anthropology provides undergraduate and graduate programs that address critical issues in the field. We are committed to a culturally and intellectually diverse, open environment for the exploration of anthropological issues. There are active faculty-developed research programs in biological anthropology, archaeology, and cultural anthropology. Research areas range from the US and the Caribbean to Central and South America, Africa and Asia. The Department is host to the SE and SW Regional Centers of the Florida Public Archaeology Network.
