

Program Information

Program Name	The Cyprus Institute
General Description / Special Programs	The Cyprus Institute (Cyl) is a world-class, non-profit research and educational institution with a strong scientific and technological orientation. It is a regional Center of Excellence, addressing issues of regional interest but of global significance, with an emphasis on cross-disciplinary research and international collaborations. Cyl is being developed as an international science and technology organization to strengthen the research community of Cyprus and to help transform its economy to a knowledge-based economy.
