

## Program Information

|  |  |
|--|--|
| Program Name                           | University of Alaska, Anchorage, Department of Anthropology  |
| General Description / Special Programs | Department offers undergraduate and graduate programs, including MA in applied anthropology and BA/BS major/minor in anthropology. The MA program trains students in applied cultural anthropology or cultural resource management. Faculty interests focus on archaeology, zooarchaeology, health and wellness, kinship and housing, urban/rural dynamics, and behavioral health in the Circumpolar North and the North Pacific. Faculty research projects include work primarily in Alaska and Canada. |
