

# University of Alaska, Anchorage, Department of Anthropology

## Program Information

Program Name	University of Alaska, Anchorage, Department of Anthropology
General Description / Special Programs	Department offers undergraduate and graduate programs, including MA in applied anthropology and BA/BS major/minor in anthropology. The MA program trains students in applied cultural anthropology or cultural resource management. Faculty interests focus on archaeology, zooarchaeology, health and wellness, kinship and housing, urban/rural dynamics, and behavioral health in the Circumpolar North and the North Pacific. Faculty research projects include work primarily in Alaska and Canada.
