

Museum of Northern Arizona

Program Information

Program Name	Museum of Northern Arizona
General Description / Special Programs	Bringing the Colorado Plateau to the world. In the forest near the San Francisco Peaks, at the Museum of Northern Arizona people of all ages and interests meet on an intergenerational campus to experience the region's natural wonders and cultures. Exhibits reveal secrets of dinosaurs, fossils, geological formations, prehistoric peoples, native plants and animals; summer marketplaces celebrate regional Native American and Hispanic art and cultures; and outdoor adventures for every level of physical ability and intellectual interest explore the Colorado Plateau by hiking, river rafting, kayaking, horse packing, base camping, van tours, and lodge or hotel-based trips. Custom tours for groups and families. A wide diversity of classes are offered for children and adults through the Education Dept.
