

Williams College, Department of Anthropology & Sociology

Program Information	
Program Name	Williams College, Department of Anthropology & Sociology
General Description / Special Programs	The Anthropology & Sociology Program at Williams emphasizes the two disciplines' shared qualitative, ethnographic tradition. Both majors strive to encourage an integrated understanding of biography, history, and social, and institutional dynamics in a range of social settings. In keeping with the liberal-arts tradition, the department provides students headed for careers in business, medicine, law, education, government, or social services with the analytical tools that will help them deal successfully with the cultural diversity and social complexity of the twenty-first century. Special programs: Members of the department work closely with such interdisciplinary programs as African and Middle Eastern Studies, Latin American Studies, Legal Studies, Women's and Gender Studies, and the Center for Environmental Studies.
